

FIVE COUNTY CHILD DEVELOPMENT PROGRAM, INC.

COVID-19 Return Procedures- Children & Staff

Under recommendations from the Mississippi Department of Health (MDHS), Five County Child Development Program, Inc. will continue to wear masks. Closures for Virtual classroom instructions or department training must have prior approval from area managers and the Executive Director. If a person contracts Covid-19, negative test results must be submitted to center supervisor or area manager before returning. Follow the instruction below:

Positive COVID-19

Test

Notify Center Director/
Supervisor

Quarantine 5 days

Return on day 6 if
symptom-free for 24 hrs.
and without fever
symptoms. Continue to
wear mask.

Positive Household
member

Notify Center
Director/Supervisor

Quarantine 5 days

Return on day 6 if
symptom-free the
entire 5 days of strict
mask wearing. If
symptoms begin, must
have a negative test to
return

Awaiting Test Results
(Any household
member)

Notify Center
Director/Supervisor

Entire household
should quarantine
until results are
received

If negative, provide
test results to return. If
positive, quarantine 5
days. Return to
work/school on day 6 if
symptoms have
diminished and wear
mask an additional 5
days when around
others

Direct Exposure
(Fully Vaccinated)

Notify Center
Director/Supervisor
If exposed at the center,
notification will be sent
home

If fully vaccinated, but
more than 6 months
from 2nd dose and not
yet boosted, quarantine
for 5 days and test on
day 5. If negative,
submit negative test
results and return on
day 6 with strict mask
wearing for an
additional 5 days.
Persons who have
received their booster
don't need to
quarantine if symptom
free but should wear a
mask for 10 days
following exposure

Direct Exposure
(Unvaccinated)

Notify Center
Director/Supervisor
If exposed at the
center, notification
will be sent home

Quarantine 5 days and
test on day 5. Return
on day 6 if negative
and symptom-free the
entire 5 days

Definition of Fully
Vaccinated
"2 weeks after the
second dose of a
vaccine in a 2-dose
series (Pfizer or
Moderna) or 2 weeks
after a single dose
vaccine (Johnson &
Johnson)
- MSDH
